## Free Range Thursday

Three years ago CRM started an exciting new way to have a break from daily merit badge classes while still continuing to learn but in a fun, active, exciting way. We are making changes to this program to refresh it and make it unique while still having a GREAT time. We will be updating this information well before the camping season and will publish as soon as it is available.

## High Adventure Opportunities

**Our Mission:** Our goal is to meet the High Adventure demands of not only the older Scouts and Venturers, but all Scouts. We believe that every Scout and Venturer wants a chance to climb a mountain, or crash through a set of rapids. We must place age as well as class size restrictions on many of the High Adventure activities at Camp Rainey Mountain, and appropriate supplemental fees apply to help defray the cost of specialized equipment and additional certifications of the staff.

All of our High Adventure programs are staffed with individuals that have completed extensive training and hold applicable certifications for the specific activity. Safety is a top priority, so we will not operate any program if conditions exist that would jeopardize the safety of our participants or staff.

**These programs are very strenuous in nature; therefore, an Annual Health and Medical Records Form (Form # 680-001 ([Click here for 2014 form](#)) is required and "All Activities" must be checked. The High Adventure Director reserves the right to refuse any participant. These guidelines are in place to ensure that the entire group will have a meaningful and safe week.**
