## SCRIBLIN' SCRIBE CHALLENGE!

With SPL Elections right around the corner in June, we are asking for you to submit nominations for who you would like to see serve as your next SPL. Anyone you nominate should be Star rank or higher (or First Class scouts with approval from the PLC). Write down your nominee and bring it to the scribe sometime in May!

Scouts who are nominated, can choose to run for election or to remove their name.

## SCOUTMASTER MINUTE

Did you know that you and your patrol are now and forever, part of the Troop 465 history book? You are part of a group that started more than 55 years ago and will be around long after you have grown up and moved on. You and the other boys in your patrol will have a legacy here. And years from now, some new boys may be looking through photos or histories and wonder about your patrol. What do you want them to remember about you?
